## LAWSUITS INVOLVING INJURIES

Lawsuits involving serious injuries, fatal accidents and insurance disputes are complicated. They often require substantial time either negotiating or litigating outstanding issues before a court.

Insurance companies may try to settle disputes out of court. But, before agreeing to anything, you need to know your rights.

It is important to speak to an attorney who understands how to litigate a case successfully. Before signing any settlement agreements, have us review them.

For information about your case, contact the Law Office of Jason January, P.C. for a free initial consultation. Our firm represents people throughout Texas, nationally and internationally.
